(c) **Comments by countries maintaining the measures:**
| Product: Cattle for breeding (01.02) | Country or group maintaining measure: Denmark | Countries indicating an interest: Switzerland |

(a) Description: H.S.

(b) Comments by other countries:

Switzerland - The veterinary regulations are very complicated and difficult to comply with; it is consequently almost impossible to export to Denmark.

(c) Comments by countries maintaining the measures:
### Preserved meat, sauces, soups (16.02)

<tbody>
<tr>
<td>Preserved meat, sauces, soups</td>
<td>Denmark</td>
<td>Switzerland</td>
</tr>
</tbody>
</table>

(a) **Description:**

H.S.

(b) **Comments by other countries**

Switzerland - For all these meat-based products, a veterinary certificate is compulsory. The sanitary regulations and methods of analysis are considered extremely stringent. (also applies to headings 21.04 and 21.05.)

(c) **Comments by countries maintaining the measures:**
Product: (BTN) Preserved meat, sauces, soups (21.04)

Country or group maintaining measure:

Denmark

Countries indicating an interest:

Switzerland

(a) Description

(b) Comments by other countries

Switzerland - See heading 16.02 (MTN/3E/DOC/9/Add.5/Corr.2 page 6).

(c) Comments by countries maintaining the measures:
| Product: Preserved meat, sauces, soups (21.05) | Country or group maintaining measure: Denmark | Countries indicating an interest: Switzerland |

(a) **Description:**

(b) **Comments by other countries:**

Switzerland - See heading 16.02 (MTN/3E/DOC/9/Add.5/Corr.2 page 6).

(c) **Comments by countries maintaining the measures:**
Product: Jams (20.05)

Country or group maintaining measure: Germany

Countries indicating an interest: Switzerland

(a) Description:

H.S.

(b) Comments by other countries:

Switzerland - Prohibition of importation of jams with less than a certain minimum sugar content. This measure is based on an order dating from 1938.

(c) Comments by countries maintaining the measures:
Product: [BTN]  

Country or group maintaining measure: Netherlands  

Countries indicating an interest: Switzerland

(a) Description:

H.S.

(b) Comments by other countries:

Switzerland - The very stringent sanitary regulations require complicated and in some cases expensive analyses. Veterinary inspection of pig meat-based products is so strict that it constitutes a serious obstacle to exportation of these products.

(c) Comments by countries maintaining the measures:
Product: Food products (general)

Country or group maintaining measure: United Kingdom

Countries indicating an interest: Switzerland

(a) Description:

The use of sorbate as a preservative is forbidden.

(b) Comments by other countries:

(c) Comments by countries maintaining the measures:

<tr>
<td>Cattle for breeding (01.02) United Kingdom</td>
<td>Switzerland</td>
</tr>
</tbody>
</table>

(a) **Description:**

H.S.

(b) **Comments by other countries:**

Switzerland - Veterinary inspection and quarantine are very exacting and expensive, so much so that it is practically impossible to export cattle to the United Kingdom.

(c) **Comments by countries maintaining the measures:**
