At its meeting on 20 December 1976, Group "Agriculture" agreed that delegations having participated in consultations should endeavour, in advance of the next meeting, to send to the secretariat summary notes with respect to the consultations in which they had participated. The secretariat would assemble and distribute the summaries in order to facilitate the decision concerning the further work of the Group.

In accordance with this procedure, Greece has sent the secretariat the following note.

Note on Consultations held between Greece and Canada under the procedures of MTN/AG/4

On 17 June 1977, the delegations of Greece and Canada engaged in consultations on the basis of a notification by Greece circulated in document MTN/AG/W/11/Add.13.

The consultations enabled an exchange of views and useful information to take place, as a first phase, on the products referred to in Greece's notification.
