DEFINITION OF AGRICULTURAL PRODUCTS

Note by Switzerland

At its meeting of 27 July 1977, Group "Agriculture" agreed that for the purpose of the negotiations, agricultural products shall in general be deemed to be the products falling within Chapters 1 to 24 inclusive of the CCCN. Participants may indicate to the secretariat, for the information of all other participants, any differences between this definition and their own. While it was understood that this may be done at any stage in the negotiations, it was considered desirable that any such differences be indicated as early as possible (MTN/AG/7, Annex, paragraph 3).

In accordance with this procedure, Switzerland has presented the note attached hereto.
