At its meeting of April 1975, the Sub-Group "Quantitative Restrictions" agreed that the two draft texts on Licensing Procedures reproduced on pages 15-19 of MTN/NTM/W/2 should be the starting point for the Sub-Group's continuing work, and that delegations so desiring would propose in writing to the secretariat for distribution, specific alterations to the two draft texts giving the reasons therefor, in time for discussion at the next meeting of the Sub-Group. (MTN/NTM/2, paragraph 9(i) and (vii), and GATT/AIR/1167.)

The following communication has been received from the South African delegation.

As suggested in the second paragraph of GATT/AIR/1167 of 6 May 1975, I would like to inform you that in South Africa's case, it would appear to be impracticable to create special machinery to provide for the right of appeal referred to in paragraph 10 of Annex II to document MTN/NTM/W/2, and South Africa would have difficulty in accepting the words "and shall have the right of appeal".
