Revision
Corrigendum

The following corrections should be made on page 3 of the document referred to above:

- Delete the word "three" in the first line of the second paragraph
  Substitute "four"

- Add after the second paragraph a new paragraph which reads as follows:

  "3. In the case of the United States the consultations related to three legislative measures which effectively prohibit imports in certain fields (certain vessels, hovercraft, inflatable rafts, ships' equipment, books, firearms). In two cases the legislation was claimed to be covered by the Protocol of Provisional Application. In the third case, which involves a discriminatory application of safety measures to imported products which do not apply to domestic products, the United States delegation indicated that there would be difficulties in obtaining modification of the existing law".

- Delete the first sentence of the former third paragraph:
  "3. It has not yet been possible to arrange consultations with the United States".
  Substitute "$4".
