Possible Sectors of Interest to Developing Countries

Wood and Wood Products

Note by the Secretariat

Corrigendum

1. The following table containing information on tariff profiles by stages of processing of wood and wood products in respect of eleven import markets should replace Table 2 on page 5 of MTN/SEC/W/2/Add.1.

Table 2

Wood and Wood Products: Tariff Profiles by Stages of Processing

(Post-Kennedy Round m.f.n. rates ad valorem)

Unweighted tariff averages

2. Consequential changes should be made in paragraph 6, page 3.

   (i) Footnote 2 should read:

   2. Basic Documentation for the Tariff Study, Summary by Industrial

   (ii) In the second sentence replace "1967, 1968 or 1969" by "1970 and 1971".

3. Page 9, column 15 - add the following footnote:

   * For further details with respect to the GSP scheme of the United States,
     delegations are invited to refer to the information circulated in documents
     L/4299 and L/4299/Add.1.
