Committee on Subsidies and Countervailing Measures

COUNTERVAILING DUTY LAWS AND REGULATIONS

Provision by Observers

Pursuant to its decision of 27 October 1993, Observer governments should provide the Committee with information they consider relevant to matters within the purview of the Agreement, including the texts of their laws and regulations regarding countervailing duties. (See SCM/M/67, paragraphs 3-16 and SCM/W/303).

Observer governments are therefore invited to provide the texts of their laws and regulations to the Committee. Observer governments which do not have laws or regulations regarding countervailing duties are invited to inform the Committee accordingly.

Texts received in reply to the above request will be circulated to the Committee in addenda to this document.
