CONSULTATIONS UNDER ARTICLE 12.3 OF THE AGREEMENT BETWEEN THE UNITED STATES AND AUSTRIA

Communication from the United States

On September 22, 1982, the United States requested consultations with Austria concerning certain specialty steel products under Article 12.3 of the Agreement on Interpretation and Application of Articles VI, XVI and XXIII of the General Agreement on Tariffs and Trade (the Agreement).

Bilateral consultations under paragraph 3 of Article 12 were held on October 19, 1982 and on January 20, 1983 with the aim of arriving at a mutually acceptable solution.

The issues involved in these consultations have now been resolved and the United States does not intend to pursue this matter any further under the Agreement.
