On page 13, under Section F on Testing, Inspection and Type Approval, the paragraph relating to background and purpose should be deleted and replaced by the following:

**Background and purpose**

In its discussion of furthering the objectives of Article 5 of the Agreement, the Committee considered the following Guides of the International Organization for Standardization (ISO) and the International Electro-technical Commission (IEC) as providing an important contribution to the establishment of mutual confidence in testing and inspection activities between Parties:

- ISO/IEC Guide 45-1985 - "Guidelines for the Presentation of Test Results".

Accordingly, the Committee adopted the recommendation stated below:
