INFORMATION ON IMPLEMENTATION AND ADMINISTRATION OF THE AGREEMENT

Corrigendum

The following phrase should be added to the end of paragraph 4(b):

Since the Code has been decreed part of Mexican domestic law, the Decision adopted by the Committee in 1980 concerning the period for submission of comments will be considered applicable.

Paragraph 4(c) should be amended to read:

(c) The "Dirección General de Negociaciones Comerciales Internacionales" (Directorate-General for International Trade Negotiations) of the Ministry of Trade and Industrial Development will be the main enquiry point. The new Mexican Law provides for the establishment of National Consultative Committees that will assist the Directorate-General in this task and will be organized by specific sectors or branches of industry.
