The following notification is being circulated in accordance with Article 10.4.

1. **Party or Agency:** Sweden; National food administration

2. **Provision of the Agreement:** Article 7.4.1

3. **Product(s) covered, CCCN Heading (National Tariff Heading where applicable):**
   - Special equipment to be used for the international carriage of perishable foodstuffs

4. **Title of project:** Regulation concerning the application of the agreement on the international carriage of perishable foodstuffs and on the special equipment to be used for such carriages (atp)

5. **Description:**
   - In the regulation instructions are given concerning the application in Sweden of atp. The instructions concern inter alia approval of equipment, cancellation of approval, supervision, certificates and frontier crossing.

6. **Objective and rationale:** To improve the conditions of preservation of the quality of perishable foodstuffs during their carriage, particularly in international trade

7. **Relevant document(s):**
   - atp published in slv fs 1980:5

8. **Where published, when adopted:**
   - Published in slv fs 1980:6

9. **Final date for submission of comments:**

10. **Proposed date of adoption and entry into force:**
    - Entered into force on 1 July 1980
