NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party and Agency: JAPAN: Animal Health Division, Livestock Industry Bureau, Ministry of Agriculture, Forestry and Fisheries, (1-2-1, Kasumigaseki, Chiyoda-ku, Tokyo, Japan)

2. Provision of the Agreement: 2.6.1

3. Product(s) covered, CCCN Heading (National Tariff Heading where applicable): Quasi-drugs which are intended for animal use exclusively (Chapter 38)

4. Title of project: Designation of those ingredients in quasi-drugs which must be included in the list of ingredients on the label

5. Description: The designation stipulates which active ingredients must be listed on the label for those quasi-drugs such as insecticides and pesticides.

6. Objective and rationale: Requiring the label listing of the active ingredients for those quasi-drugs such as insecticides and pesticides to prevent mistaken use of such products and to facilitate prompt treatment in the event of inadvertent ingestion.

Designated ingredients are as follows. (21 items)

- Allethrin
- Hexachlorophene
- Warfarin

7. Relevant document(s): Pharmaceutical Affairs Law

8. Where published, when adopted: KAMPO (Official Government Gazette); 30 September 1980

9. Final date for submission of comments:

10. Proposed date of adoption and entry into force: 30 September 1980, with a two-year grace period for items already in inventory or items using material ingredient correctly labelled under the superseded law within one year.
