The following notification is being circulated in accordance with Article 10.4.

1. Party and Agency: UNITED STATES: Environmental Protection Agency (114)

2. Provision of the Agreement: 2.5.2

3. Product(s) covered, CCCN Heading (National Tariff Heading where applicable): Sorghum (CCCN No. 10.07)

4. Title of project: Cross-link nylon-type encapsulating polymer; proposed exemption from the requirement of a tolerance

5. Description: This notice proposes that a cross-link nylon-type encapsulating polymer be exempted from the requirements of a tolerance for residues when used as an inert encapsulating material for formulations of the insecticide parathion applied to sorghum.

6. Objective and rationale: Human health and environmental safety

8. Where published, when adopted: Federal Register

10. Proposed date of adoption and entry into force: To be determined
