
2. Provision of the Agreement: Notified under Article 7.3.2

3. Product(s) covered, CCCN Heading (National Tariff Heading where applicable):
   Dangerous working material

4. Title of project: Draft regulation of requirements to packaging and labelling of dangerous working material.

5. Description: The regulation concerns materials of which substances (chemical elements and chemical compounds) and products (mixtures of substances) are toxic, harmful, corrosive, irritant, carcinogenic, explosive, oxidizing or easy inflammatory and inflammatory. This regulation regarding to labelling of pure substances and products follows the proposals made by a committee of the Agreement of the European Council concerning the labelling of dangerous chemical elements, and to a certain extent the directive of the EC.

8. Where published, when adopted: 

9. Final date for submission of comments: 30 September, 1981.

10. Proposed date of adoption and entry into force: The proposed regulation will enter into force one year after its publication. It is intended to publish the regulation at the end of 1981.
