NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **UNITED STATES**

2. Agency responsible: National Highway Transportation Safety Administration, Department of Transportation (137)

3. Notified under Article 2.5.2, 2.6.1, 7.3.2, 7.4.1, Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading): Motor vehicles (No. 781.0)

5. Title: Federal Motor Vehicle Safety Standards: Motor Vehicle Lighting

6. Description of content: This proposal will substitute SAE standard J594 F (reflex reflectors) for J594 E as the standard referenced in Motor Vehicle Safety Standard No. 108. The effect of the change is to increase the diameter of the circumscribing circle for the photometric test from 7 to 10 inches.

7. Objective and rationale: To relieve a reflector design restriction.

9. Proposed dates of adoption and entry into force: To be determined

10. Final date for comments: 27 November 1981

11. Texts available from: National enquiry point or address of other body:
