The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **UNITED STATES**

3. Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   Lamps, reflective devices, and associated equipment on motor vehicles

6. Description of content: This notice proposes that Safety Standard No. 108 be amended to square inches, on those multiple compartment stop-lamps and turn signal lamps which are mounted on vehicles whose overall width is 80 inches or more.

7. Objective and rationale: To remove an inconsistency from the standard and reduce production cost by making the requirement for wide vehicles identical to those for narrower ones.

10. Final date for comments: 7 December 1981

11. Texts available from: National enquiry point [X] or address of other body:
