### Notification

The following notification is being circulated in accordance with Article 10.4.

1. **Party and Agency:** Standards Association of New Zealand

2. **Provision of the Agreement:** 2.5.2

3. **Product(s) covered, CCCN Heading (National Tariff Heading where applicable):**
   Liquefied petroleum gas, domestic equipment.

4. **Title of project:** The use of liquefied petroleum gas (LPG) for domestic purposes, in caravans and boats.

5. **Description:** This draft standard applies to the installation, in caravans and boats, of domestic systems using LPG from cylinders, and operating at a regulated pressure of not more than 3.5 kPa.

   It does not cover the use of LPG for the propulsion of boats, yachts, or motor-driven caravans.

6. **Objective and rationale:** Safe use of equipment in boats and caravans.

7. **Relevant document(s):** DZ 5428 (Draft New Zealand Standard)

8. **Where published, when adopted:** New Zealand Standard: NZS 5428

9. **Final date for submission of comments:** 15 May 1981

10. **Proposed date of adoption and entry into force:** Not known
