The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **HUNGARY**

2. Agency responsible: **Ministry of Health**

3. Notified under Article 2.5.2, 2.6.1, 7.3.2, 7.4.1. Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   Varnishes and lacquers; paints, enamels and dyes
   CCCN 32.09

5. Title: Coating of children's furniture, sanitary requirements for varnishes, enamels and dyes of alkyd resin type, hardening in acid process

6. Description of content: The object of this standard is sanitary requirements for coatings which - during proper use - get in contact with the mouth and skin of little children. These coatings are made by the use of varnish, enamel and dye of alkyd resin type, hardening in acid process.

7. Objective and rationale: Personal safety of children

8. Relevant documents: The regulation will appear in the Gazette of Standards (MSz-03 85/1-82) when adopted.

9. Proposed dates of adoption and entry into force: 1982

10. Final date for comments: 31 August 1982

11. Texts available from: National enquiry point or address of other body:
