NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: UNITED STATES

2. Agency responsible: Food and Drug Administration (153)

3. Notified under Article 2.5.2 [x], 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   Frozen concentrated orange juice

5. Title: Canned fruit juices: Advance notice of proposed rule making on the standard
   of identity for frozen concentrated orange juice

6. Description of content: The purpose of the proposed amendment would be to increase
   the minimum amount of orange juice soluble solids in the beverage when reconstituted
   according to label directions. The proposed amendment would reflect an increase in
   naturally occurring soluble solids (°brix) of the oranges used in the production of
   frozen concentrated orange juice.

7. Objective and rationale: The proposed minimum soluble solids content of
   12.3 per cent represents the national average and would increase it to an average of
   that occurring in the natural orange.

   Federal Register when adopted

9. Proposed dates of adoption and entry into force: To be determined

10. Final date for comments: 9 March 1982
