NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: UNITED STATES

3. Notified under Article 2.5.2 [x], 2.6.1 [ ], 7.3.2 [x], 7.4.1 [ ], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   Motor vehicle headlamps (CCCN No. 87.06)

5. Title: Federal motor vehicle safety standards, lamps, reflective devices and associated equipment

6. Description of content: This notice proposes an amendment to Safety Standard No. 108 that would allow motor vehicles to be equipped with a new two-lamp rectangular sealed-beam headlamp system smaller than that currently allowed. The new headlamps would have external dimensions identical with headlamps used in four-lamp rectangular headlamp systems and must meet current performance levels of existing federal standards.

7. Objective and rationale: Fuel economy

9. Proposed dates of adoption and entry into force: To be determined

10. Final date for comments: 29 November 1982

11. Texts available from: National enquiry point [x] or address of other body:
