**NOTIFICATION**

The following notification is being circulated in accordance with Article 10.4.

1. **Party to Agreement notifying:** SWEDEN

2. **Agency responsible:** National Board of Occupational Safety and Health

3. **Notified under Article 2.5.2, 2.6.1, 7.3.2, 7.4.1, Other:**

4. **Products covered (CCCN where applicable, otherwise national tariff heading):** Brush saws with trimming and cultivating adaptors

5. **Title:** Draft regulation on brush saws etc.

6. **Description of content:** The draft regulation is applicable to trimmers (for grass) and rotor cultivators that are adaptors attached to brush saws.

   According to the draft brush saws must be type approved by the National Board of Occupational Safety and Health. In order to receive a type approval the machine must have been tested by the National Testing Agency (National Machinery Testing Institute).

   The adaptors (trimmer and rotor cultivator) must be type tested as regards vibrations and noise before being utilized. The testing may be done by the producer, the supplier or by an institution.

7. **Objective and rationale:** Protection for human safety and health

8. **Relevant documents:**

9. **Proposed dates of adoption and entry into force:** 1 January 1984

10. **Final date for comments:** 7 April 1982

11. **Texts available from:** National enquiry point or address of other body:
