**NOTIFICATION**

The following notification is being circulated in accordance with Article 10.4.

1. **Party to Agreement notifying:** UNITED STATES

2. **Agency responsible:** Customs Service, Treasury Department (161)

3. Notified under Article 2.5.2 [x], 2.6.1 [ ], 7.3.2 [ ], 7.4.1 [ ], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   - Semiconductor devices (CCCN No. 85.19)

5. **Title:** Marking requirements for imported semiconductor devices, including transistors, diodes and integrated circuits.

6. **Description of content:** The Customs Service is reviewing a uniform and established position under which semiconductor devices imported from various foreign countries during the testing phase are permitted to be commingled and then prepackaged for sale to purchasers in the United States in containers marked to indicate the devices were made in one or more of the countries listed on the containers.

7. **Objective and rationale:** To provide uniformity of application of the country of origin marking requirements and to clarify those marking requirements.

9. **Proposed dates of adoption and entry into force:** To be determined

10. **Final date for comments:** 4 June 1982

11. **Texts available from:** National enquiry point [x] or address of other body:
