4. Products covered (CCCN where applicable, otherwise national tariff heading): Children's sleepwear (CCCN No. 61.02)

5. Title: Flammability standard for children's sleepwear, sizes 0 through 6X; proposed enforcement and administrative rule.

6. Description of content: The Commission proposes to issue a rule for enforcement and administration of the Flammable Fabrics Act regarding the use of tests other than those set forth in the children's sleepwear flammability standard for sizes 0 through 6X for purposes of complying with that standard and supporting guarantees of items subject to that standard. The proposed rule allows the use of any alternate test apparatus or procedure which is as stringent as, or more stringent than, the apparatus and procedure specified in the standard.

7. Objective and rationale: Human safety and to allow persons and firms to use test apparatus or procedures other than those in the standard.

9. Proposed dates of adoption and entry into force: To be determined.
