The following notification is being circulated in accordance with Article 10.4.

1. **Party to Agreement notifying:** JAPAN

2. **Agency responsible:** Weights and Measures Division, Machinery and Information Industries Bureau, Ministry of International Trade and Industry.

3. **Notified under Article 2.5.2 [x], 2.6.1 [x], 7.3.2 [x], 7.4.1 [x], Other:**

4. **Products covered (CCCN where applicable, otherwise national tariff heading):**
   Air Separator attached to Liquefied Fuel Dispensing Assemblies (CCCN: 84.10).

5. **Title:** Establishment of Requirements on Air Separator attached to Liquefied Fuel Dispensing Assemblies.

6. **Description of content:** New performance requirements will be established on air separator attached to liquefied fuel dispensing assemblies.
   When the volume of liquefied fuel containing a certain volume of air according to its viscosity of the fuel is measured by the dispensing assembly, the measured values shall be within a certain deviation.

7. **Objective and rationale:** For ensuring the accuracy of measurement of liquefied fuel.

8. **Relevant documents:** Enforcement Regulations for the Verification and Inspection of Measuring Instruments.

9. **Proposed dates of adoption and entry into force:** Not yet determined

10. **Final date for comments:** 25 August 1984

11. **Texts available from:** National enquiry point [x] or address of other body:
