NOTIFICATION

The following notification is being circulated in accordance with Article 10.4

1. Party to Agreement notifying: **SWEDEN**

2. Agency responsible: Swedish Road Safety Office

3. Notified under Article 2.5.2 [X] 2.6.1 7.3.2 7.4.1 [ ] Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading): Road Vehicles ex Chapter 87

5. Title:

Draft concerning an overall review of the publication "Regulations on vehicles"

6. Description of content:

The Road Safety Office has undertaken an overall review of previously issued regulations on vehicles in order to compile a handbook which will contain all regulations regarding vehicles as far as requirements on construction and equipment are concerned. Regulations on inspection of vehicles will subsequently be compiled in a similar handbook.

The overall review has entailed certain draft revisions of the various regulations which will be included in the handbook. The titles of the revised regulations are given at Annex to this notification.

7. Objective and rationale:

Road safety, protection of human health and environment, prevention of deceptive practices.

8. Relevant documents:

The revised regulations will be published in the handbook "Regulations on vehicles" issued by the Road Safety Office.

9. Proposed date of adoption and entry into force:

Entry into force: 1 July 1985

10. Final date for comments: 31 October 1984

11. Texts available from: National enquiry point [X] or address of other body:
