The following notification is being circulated in accordance with Article 10.4.

1. **Party to Agreement notifying:** FEDERAL REPUBLIC OF GERMANY

2. **Agency responsible:** Federal Ministry of the Interior

3. **Notified under Article 2.5.2 [ ], 2.6.1 [X], 7.3.2 [ ], 7.4.1 [ ], Other:**
   The Federal Republic of Germany holds the view that the regulation referred to below will have no impact on trade. So this notification is made merely to keep the Technical Barriers Committee fully informed.

4. **Products covered (CCCN where applicable, otherwise national tariff heading):**
   Petrol

5. **Title:** Second Regulation dated 31 July 1984 to Amend the Regulation on Petrol Quality Labelling. Announcement of the Revised Version of the Regulation on Petrol Quality Labelling dated 1 August 1984

6. **Description of content:** The amendment regulates, above all, the required labelling of lead-free petrol at filling stations on the basis of DIN Standard No. 51607, thereby fulfilling the prerequisites in the Federal Republic of Germany for a rapid introduction of lead-free petrol.

7. **Objective and rationale:** A further reduction of lead-induced pollution of the air. Fulfillment of the prerequisites for the operation of cars equipped with catalytic converters

8. **Relevant documents:** Bundesgesetzblatt Teil I (Federal Law Gazette Part I) dated 7 August 1984, pages 1057-1070

9. **Proposed dates of adoption and entry into force:** Adopted on 31 July 1984; entry into force on 1 September 1984

10. **Final date for comments:** n.a.

11. **Texts available from:** National enquiry point [X] or address of other body:

84-1888
