**NOTIFICATION**

The following notification is being circulated in accordance with Article 10.4.

1. **Party to Agreement notifying:** INDIA

2. **Agency responsible:** Indian Standards Institution

3. **Notified under Article 2.5.2 [X], 2.6.1 [ ], 7.3.2 [ ], 7.4.1 [ ], Other:**

4. **Products covered (CCCN where applicable, otherwise national tariff heading):**
   Copper and copper alloys, forging stock and forgings (74.02, 74.03)

5. **Title: DOC: SMDC 11(2756) Specification for Copper and Copper Alloys, Forging Stock and Forgings (first revision of IS:6912)**

6. **Description of content:** This draft standard covers requirements for copper and copper alloy wrought or cast forging stock and forgings. In this revision forging stock has also been included. Lead-free 60/40 brass, 60/40 brass and leaded brass have been merged into single alloy as brass. Copper-silicon alloys have been substituted by aluminium silicon bronze. Composition of other copper and copper alloys has been updated. Material covered IS:3488-1980 till now has also been included in this draft standard.

7. **Objective and rationale:** Changes are being made in view of manufacturing and trade practices in India.

8. **Relevant documents:** (a) Notice appears in Standards Monthly Additions; (b) Basic documents are IS:3488-1980 Specification for brass bars, rods and sections suitable for forgings (first revision) and IS:6912-1973 Specification for copper and copper alloy forgings; (c) On adoption, notice will appear in Gazette of India, Standards Monthly Additions, and ISI Bulletin.

9. **Proposed dates of adoption and entry into force:** After about one year

10. **Final date for comments:** 30 March 1984

11. **Texts available from:** National enquiry point [X] or address of other body:
