The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: SWITZERLAND

2. Agency responsible: Federal Metrology Agency

3. Notified under Article 2.5.2[x], 2.6.1[ ], 7.3.2[ ], 7.4.1[ ], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   Measuring instruments: alcoholmeters; instruments for measuring blood pressure, volume, liquids other than water, electricity, gas quantities, length, road traffic, heat consumption, sugar content; materialized weight; volume measures; weighing instruments.

5. Title: Complete Revision of the Ordinance on Qualification of Measuring Instruments

6. Description of content: The new provisions concern approval, verification, marking and certification of all measuring instruments. Heat-consumption measuring instruments will be brought under this legislation for the first time.

7. Objective and rationale: In order to simplify and make uniform the legislation on metrology, one single ordinance is being prepared, containing basic and durable provisions for all types of measuring instruments. The purely technical provisions - according to the type of instrument - will be established later.

8. Relevant documents: Draft Amendment of the Ordinance, April 1984

10. Final date for comments: 27 July 1984
