NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: UNITED STATES

2. Agency responsible: Environmental Protection Agency (229)

3. Notified under Article 2.5.2 [X], 2.6.1 [ ], 7.3.2 [ ], 7.4.1 [ ], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   Pesticide products containing captan (CCCN Chapter 38)

5. Title: Intent to cancel registration of pesticide products containing captan:
   availability of position document 2/3

6. Description of content: This notice describes the Agency's preliminary determination
   regarding the risks and benefits associated with the use of pesticide products
   containing captan to control fungi in agricultural and non-agricultural applications.
   The Agency proposes to cancel or deny Federal registrations of products containing
   captan for use on food crops. In its final decision, however, the Agency will
   continue any use on food where data are submitted which demonstrate that captan
   residues on food are sufficiently lower than the Agency's estimates or that
   alternative methods will sufficiently reduce dietary exposure to captan. The Agency
   is not proposing cancellation of non-food uses: however, revised labelling will be
   required on the products intended for these uses.

7. Objective and rationale: Health and safety

   Register when adopted.

9. Proposed dates of adoption and entry into force: To be determined

10. Final date for comments: 5 August 1985
