2. **Agency responsible:** Department of Transport

3. **Notified under Article 2.5.2, 2.6.1, 7.3.2, 7.4.1, Other:**

4. **Products covered (CCCN where applicable, otherwise national tariff heading):**
   - Used tyres

5. **Title:** Proposed Amendment to the Motor Vehicle Tyre Safety Regulations

6. **Description of content:** This amendment applies to used tyres, other than passenger car tyres, that have a rim diameter size designation of greater than sixteen and a tread depth of less than 5 mm. and which are being imported for the purpose of retreading. The amendment;
   - (a) exempts the importer from establishing a registration system;
   - (b) exempts certain tyre identification and marking requirements;
   - (c) exempts the tyre from compliance with safety standard quantity;
   - (d) requires that the used tyre have on it an identification showing that it complied, when manufactured, with the Canada Motor Vehicle Tyre Safety Standard No. 119, the United States Federal Motor Vehicle Safety Standard No. 119 or the Japanese Industrial Standard JIS D 4230; and
   - (e) requires the importer to certify compliance with the Regulation and to maintain certain records.
