The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **UNITED STATES**

2. Agency responsible: National Highway Traffic Safety Administration, Department of Transportation (224)

3. Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   Air-brake systems on trailers and towing vehicles (CCCN No. 87)

5. Title: Federal Motor Vehicle Safety Standards: Air-Brake Systems

6. Description of content: This proposal would modify the test rig used to test brakes on trailers and adjust its timing, make corresponding adjustments in the actuation and release times for air-brakes on trailers and towing vehicles, and set actuation and release times at the control-line coupling of towing vehicles.

7. Objective and rationale: To bring requirements in line with current research findings

9. Proposed dates of adoption and entry into force: To be determined

10. Final date for comments: 25 June 1985

11. Texts available from: National enquiry point [X] or address of other body:
