4. Products covered (CCCN where applicable, otherwise national tariff heading):
   - Cosmetic and hygienic products (ex 33.06)

5. Title: Second Report by the National Board of Health and Welfare with proposals for a regulation on content and labelling of cosmetic or hygienic products and a draft regulation on labelling of cosmetic products tested on animals

6. Description of content: The draft regulations contain rules which prohibit or restrict the use of certain substances in cosmetic or hygienic preparations when such products are offered for sale or used professionally. The packages of such products shall, when transferred, be labelled with information regarding name of product, producer or importer, net quantity of contents, directions for use, durability, batch number, indication of hazard, etc. Products tested on animals shall be labelled "tested on animals". A previous draft regulation on this matter has been notified in document TBT/Notif.84.119.

7. Objective and rationale: Protection for human health

8. Relevant documents: The new regulations will be published in the Code of Statutes of the National Board of Health and Welfare and will replace the Regulation on Prohibition of Certain Substances in Cosmetic or Hygienic Preparations (SOSFS (M) No. 89).
