The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **DENMARK**

2. Agency responsible: National Building Agency

3. Notified under Article 2.5.2, 2.6.1, 7.3.2, 7.4.1, Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   
   Electrically-powered heat pump aggregates for heating domestic water or buildings and with compressor motor of a maximum nominal output of 10 kW.

5. Title: Supplement 7 to Building Regulations of 1982 and Supplement 2 to Building Regulations for Small Houses of 1985

6. Description of content: A requirement for the said heat pump aggregates to be covered by an inspection scheme approved by the National Building Agency. The scheme is a continuation of an earlier approval requirement.

7. Objective and rationale: To ensure the output capacity and the proper and safe manufacture of such pumps as well as to prevent unnecessary energy consumption

9. Proposed dates of adoption and entry into force: Not yet decided

10. Final date for comments: As soon as possible, and before 31 January 1987

11. Texts available from: National enquiry point or address of other body:
