NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: UNITED STATES

3. Notified under Article 2.5.2, 2.6.1, 7.3.2, 7.4.1, Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   Motor vehicle lamps, reflective devices and associated equipment
   (CCCN: Chapter 87)

5. Title: Federal Motor Vehicle Safety Standards = lamps, reflective devices and associated equipment

6. Description of content: This notice proposes that replacement lighting equipment be marked and identified as to function. It is also proposed that this equipment bear a Department of Transportation mark as certification of compliance = this method of certification is presently at the manufacturer's option. The code would identify the manufacturer (and importer, where applicable) and hence assist enforcement efforts. It would also remove ambiguities about the intended function of dual purpose devices.

7. Objective and rationale: To identify the manufacturer and assist in enforcement efforts

9. Proposed dates of adoption and entry into force: To be determined

10. Final date for comments: 10 March 1986

11. Texts available from: National enquiry point or address of other body:
