4. Products covered (CCCN where applicable, otherwise national tariff heading):
   - Certain household chemicals ex chapter 33 and 34

5. Title: Draft Guidelines for Packaging of Certain Household Chemicals

6. Description of content: The draft guidelines will be applicable to chemicals marketed to consumers in cases where risk of injury on small children (under the age of 4 years) may be involved. The packages of such chemical products must be child-proof. Packages in accordance with German Standard DIN 55559, British Standard BS 6652:1985 or the United States' Poison Prevention Act 1970, para. 295.10 (Testing procedure for special packaging) are considered to fulfill the requirements laid down in the guidelines. At the request of the National Board for Consumer Policies the manufacturer/importer must be able to present a certificate showing that the requirements are fulfilled.
   
   In certain cases a special labelling is required on the products in question.

7. Objective and rationale: Protection for small children
