NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying:  **UNITED STATES**

2. Agency responsible: Federal Aviation Administration (239)

3. Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   - Helicopters (CCCN Chapter 88.02)

5. Title: Proposed Noise Standards for Helicopters in the Normal, Transport, and Restricted Categories

6. Description of contents:
   
   These proposals would apply to civil helicopters in the normal, transport and restricted categories, and would provide noise-level limits and test procedures for the issuance of original and amended type certificates. The notice also proposes to prohibit changes in type design of helicopters that might increase their noise levels beyond certain limits.

7. Objective and rationale: To provide current and future relief and protection to the public health and welfare from the noise of affected helicopters

9. Proposed dates of adoption and entry into force: To be determined

10. Final date for comments: 5 June 1986

11. Texts available from: National enquiry point [X] or address of other body:
