NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: DENMARK

2. Agency responsible: Ministry of Public Works, General Directorate for Posts and Telegraphs, Anker Heegaards Gade 4, DK-1503 Copenhagen V.

3. Notified under Article 2.5.2, 2.6.1, 7.3.2, 7.4.1, Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   Telex processors/PABX equipment

5. Title: Type approval of telex processor/PABX equipment for use in the public telex service

6. Description of content: Type approval procedure, operation and test conditions and requirements on telex processor/PABX equipment. The requirements are based on Circular No. 12A (and 27a) (February 1979) from the Danish Telephone Supervision Board and on CCITT Recommendations of F, R, S and U (and V) services.

7. Objective and rationale: In connection with a limitation of the monopoly in the field of telex processor/PABX equipment it has been decided to introduce a state-controlled type approval scheme for the equipment

9. Proposed dates of adoption and entry into force: As soon as possible after completion of notification procedures.

10. Final date for comments: 20 June 1985

11. Texts available from: National enquiry point or address of other body:
