**NOTIFICATION**

The following notification is being circulated in accordance with Article 10.4.

1. **Party to Agreement notifying:** UNITED KINGDOM

2. **Agency responsible:** National Weights and Measures Laboratory, Department of Trade and Industry

3. **Notified under Article 2.5.2 [], 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:**

4. **Products covered (CCCN where applicable, otherwise national tariff heading):**
   - Measuring equipment for liquid fuel and lubricants in a quantity not exceeding 20 gallons/100 litres

5. **Title:** The Measuring Equipment (Liquid Fuel and Lubricants) Regulations 1987

6. **Description of content:** The Regulations prescribe measuring equipment for liquid fuel and lubricants. Provisions include the purposes for which such equipment may be used for trade; the materials, principles of construction and markings used; their manner of use for trade; their testing, passing as fit for use for trade and stamping (and obliteration of stamps); and their prescribed limits of error.

7. **Objective and rationale:** The Regulations update existing Regulations, made under the Weights and Measures Act 1963, which control weighing or measuring equipment in use for trade in the United Kingdom.

9. **Proposed dates of adoption and entry into force:**
   - December 1987 (adoption), January 1988 (entry into force)

10. **Final date for comments:** 30 October 1987

11. **Texts available from:** National enquiry point [X] or address of other body:
