NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: SWEDEN

2. Agency responsible: Swedish Electrotechnical Commission, National Energy Administration and Swedish Institute for Testing and Approval of Electrical Equipment (SEMKO)

3. Notified under Article 2.5.2 [X], 2.6.1 [ ], 7.3.2 [ ], 7.4.1 [ ], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   - Luminaires
   - Photo and film luminaires

5. Title: Safety of Luminaires - Particular Requirements for Photo and Film Luminaires (Non-Professional)

6. Description of content: The Swedish Electrotechnical Commission has prepared a draft standard concerning safety of luminaires with particular requirements for photo and film luminaires (SS 431 12 09). The draft standard is intended to be used as a basis for the compulsory approval to be carried out by the Swedish Institute for Testing and Approval of Electric Equipment, SEMKO. The draft standard will be published as a Swedish standard to which the National Energy Administration will refer. The draft standard, which is an amendment to an existing standard, consists of a translation of IEC publication 598-2-9, First edition, 1979, particular requirements for photo and film luminaires (non-professional), Amendment 2, 1986.

7. Objective and rationale: Protection for safety to man and property

8. Relevant documents: When published SS 431 12 09 will bear the additional reference SEMKO 9578-2-9

9. Proposed dates of adoption and entry into force: To be determined later

10. Final date for comments: 21 January 1988

11. Texts available from: National enquiry point [X] or address of other body:

   87-1960
