NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: SWEDEN

2. Agency responsible: Swedish Electrotechnical Commission, National Energy Administration and Swedish Institute for Testing and Approval of Electrical Equipment (SEMKO)

3. Notified under Article 2.5.2 [x], 2.6.1 [ ], 7.3.2 [ ], 7.4.1 [x], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):

   Electric heaters

5. Title: Safety of Household and Similar Electrical Appliances - Particular Requirements for Electric Automobile Engine Preheaters, Bus heaters and Caravan Heaters

6. Description of content: The Swedish Electrotechnical Commission has prepared a draft standard concerning safety of household and similar electrical appliances with particular requirements for electrical automobile engine preheaters, bus heaters and caravan heaters. The standard is intended to be used as a basis for the compulsory approval to be carried out by the Swedish Institute for Testing and Approval of Electric Equipment, SEMKO. The draft standard is mainly an updating of an existing standard and is based on joint work in the Nordic countries. The draft standard will be published as a Swedish standard to which the National Energy Administration will refer.

7. Objective and rationale: Protection for safety to man and property

8. Relevant documents: When published, SS 433 07 90 will bear the additional reference SEMKO 9335-2-310

9. Proposed dates of adoption and entry into force: To be determined later

10. Final date for comments: 21 January 1988

11. Texts available from: National enquiry point [x] or address of other body:

   87-1962
