The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **UNITED KINGDOM**

2. Agency responsible: National Weights and Measures Laboratory, Department of Trade and Industry

3. Notified under Article 2.5.2 [x], 2.6.1 [ ], 7.3.2 [ ], 7.4.1 [ ], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):

   Water meters for measuring certain domestic supplies of water.

5. Title: The Measuring Equipment (Cold-Water Meters) Regulations 1988

6. Description of content: The Regulations prescribe equipment for cold-water meters. Provisions include the purpose for which such equipment may be used for trade; the principles of construction and markings used; their testing, passing as fit for use for trade and stamping (and obliteration of stamps); and their prescribed limits of error.

7. Objective and rationale: The Regulations will benefit consumers by ensuring fair trading in domestic water supplies.

8. Relevant documents:

9. Proposed dates of adoption and entry into force:

   April 1988 (adoption), May 1988 (entry into force)

10. Final date for comments: 26 February 1988

11. Texts available from: National enquiry point [x] or address of other body:
