**NOTIFICATION**

The following notification is being circulated in accordance with Article 10.4.

1. **Party to Agreement notifying:** SWEDEN

2. **Agency responsible:** National Environmental Protection Board

3. **Notified under Article:** 2.5.2, 2.6.1, 7.3.2, 7.4.1, Other:

4. **Products covered (CCCN where applicable, otherwise national tariff heading):**
   - Certain motor vehicles, ex CCCN 87.02

5. **Title:** Draft Regulation Concerning the Control of Air Pollution from Motor Vehicles (relevant documents available in English)

6. **Description of content:** The Draft will be applicable to motor vehicles with spark ignition or compression ignition engines from 1989 model year onwards. Such vehicles shall be subject to emission standards (regarding hydrocarbons, carbon monoxide, oxides of nitrogen, particulate emissions etc.) imposed by the Draft. Every new vehicle manufactured shall be covered by a Certificate of Conformity issued pursuant to the Draft. To enable the vehicles to qualify for Type approval or the First Registration Inspection, the manufacturer must certify that they conform to the requirements of the Draft.

   A previous notification on this subject was circulated as document TBT/Notif.85.128.

7. **Objective and rationale:** Improvement of the conditions for public health and the environment

8. **Relevant documents:** Will be published in the Statute Book of the National Environment Protection Board

9. **Proposed dates of adoption and entry into force:** Adoption: end of June 1987. Entry into force: two weeks after publication

10. **Final date for comments:** 5 June 1987

11. **Texts available from:** National enquiry point or address of other body:
