The following notification is being circulated in accordance with Article 10.4.

1. **Party to Agreement notifying:** NORWAY

2. **Agency responsible:** Ministry of Communications

3. **Notified under Article 2.5.2 □, 2.6.1 □, 7.3.2 X, 7.4.1 □, Other:**

4. **Products covered (CCCN where applicable, otherwise national tariff heading):**
   - Private automatic branch exchanges and key telephone systems

5. **Title:** Regulation on Private Automatic Branch Exchanges

6. **Description of content:** The proposed regulation is part of a more comprehensive system of regulations which will cover a wide range of telecommunication equipment, telecommunication activities, etc.

   The work on most of these regulations is in a very early stage, and final drafts are, with few exceptions, not yet ready for publication. Albeit they will be designed to meet the requirements of the national Norwegian telecommunication network, the regulations will be based on international standards and recommendations whenever possible.

   For further information about the regulation activities on the telecommunication area it is, therefore, recommended that inquiries on specific subjects are directed to the Norwegian Telecommunication Regulatory Authority, telephone (Norway) 02 55 55 30.

7. **Objective and rationale:** Liberalization of telecommunication monopoly

8. **Relevant documents:** Report No. 48 (1984-85) to the Storting

9. **Proposed dates of adoption and entry into force:** Not yet stipulated, but probably 1 September 1987 (in part)

10. **Final date for comments:** 15 July 1987

11. **Texts available from:** National enquiry point □ or address of other body:
   - Norwegian Telecommunication Regulatory Authority,
     P.B. 2592 SOLLI,
     0203 Oslo 2,
     Norway
