The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **NORWAY**

2. Agency responsible: **Ministry of Telecommunications**

3. Notified under Article 2.5.2, 2.6.1, 7.3.2, 7.4.1, Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   - Telecommunication user equipment

5. Title: Regulation on Type Approval of Telephones with Analogue Connection to the Public Telephone Network

6. Description of content: The proposed regulation is part of a more comprehensive system of regulations which will cover a wide range of telecommunication equipment, telecommunication activities, etc.

   The work on most of these regulations is in a very early stage, and final drafts are, with few exceptions, not yet ready for publication. Albeit they will be designed to meet the requirements of the national Norwegian telecommunication network, the regulations will be based upon international standards and recommendations whenever possible.

   For further information about the regulation activities on the telecommunication area it is, therefore, recommended that inquiries on specific subjects are directed towards the Norwegian Telecommunication Regulatory Authority, telephone (Norway) 02 55 55 30.

7. Objective and rationale: Liberalization of telecommunication monopoly

8. Relevant documents: Report No. 48 (1984-85) to the Storting

10. Final date for comments: **1 August 1987**

11. Texts available from: National enquiry point or address of other body:

    - Norwegian Telecommunication Regulatory Authority,
      P.B. 2592 SOLLI,
      0203 Oslo 2, Norway
