NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **YUGOSLAVIA**

2. Agency responsible: Federal Institution for Standardization

3. Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   - Welding

5. Title: **JUS C:T3.102 Welding. Technical Requirements for Welding of Fine Granular Structure Steel**

6. Description of content: This standard specifies requirements that are specific for welding of fine granular steels such as: preparation of grooves, choice of additional materials, crack safety of welded joints, thermal régime of welding and practical directives for welding and particular test methods.

7. Objective and rationale: Safety of welded structures done from fine granular steel, pressure vessels and particularly round tanks

8. Relevant documents: This standard is done on the basis of producers directives of these steels and equipment of these steel and IIW documents

9. Proposed dates of adoption and entry into force: The end of 1989

10. Final date for comments: 15 September 1988

11. Texts available from: National Enquiry point [X] or address of other body:
