NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **FINLAND**

2. Agency responsible: Technical Inspection Centre

3. Notified under Article 2.5.2 [X] 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   
   Cold water meters

5. Title: Water Meters Intended for the Metering of Cold Water (TTK Directive Draft) (Available in Finnish, 5 pages)

6. Description of content: The TTK Directive is given by the virtue of the Decree (Statutes of Finland 399/87) on calibration of instruments for measuring of thermal energy and water.

   The Directive concerns application of the OIML recommendation RI 49 in type approval of cold water meters. There are some deviations and additions compared with the OIML recommendation, e.g. in regard to the service pressure (point 6) and markings (point 8).

   The Directive also gives regulations about the material of the meter and its accessories.

7. Objective and rationale: Imposing structural and functional requirements.

8. Relevant documents: The proposal will be published in the TTK Directives.

9. Proposed dates of adoption and entry into force: Estimated entry into force 1 October 1988

10. Final date for comments: 27 September 1988

11. Texts available from: National enquiry point [X] or address of other body:
