NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **HONG KONG**

2. Agency responsible: General Post Office, Telecommunications Branch

3. Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], other:

4. Products covered (CCCN where applicable, otherwise national tariff heading):
   - Industrial, scientific and medical radio-frequency equipment

5. Title: Performance Specification for Radio Interference Limits and Methods of Measurements for Industrial, Scientific and Medical (ISM) Radio-Frequency Equipment (excluding surgical diathermy apparatus and r.f. exciting arc-welding machines)

6. Description of content: Type approval specifications and test methods for ISM equipment are for the prevention of radio frequency interference. The relevant radio equipment has to comply with the approval specifications before they could be used in Hong Kong. The development of the approval specifications and test methods are mainly based on the United Kingdom Performance Specifications on Radio Equipment.

7. Objective and rationale: Protection of Hong Kong’s radio spectrum

9. Proposed date of adoption and entry into force: December 1988

10. Final date for comments: 20 November 1988

11. Texts available from: National enquiry point [] or address of other body:
   - General Post Office, Telecommunications Branch, 5/F., Sincere Building, Des Voeux Road Central, 173
   - **Hong Kong**
