4. Products covered (HS where applicable, otherwise national tariff heading):

   Products containing nitrocellulose, for example nitrocellulose products for manufacturing of lacquers. HS 39.12.201, HS 39.12.209

5. Title: Draft Regulation on Handling of Certain Products Containing Nitrocellulose

6. Description of content: On 1 July 1989 a new Act on Flammables and Explosives (SFS 1988;868) will enter into force. By virtue of this Act and a new Ordinance, not yet published by the Government, the National Inspectorate of Explosives and Flammables has prepared a Draft Regulation on handling of certain products containing nitrocellulose. These products have to be prepacked in a way that ensures safety. The packages have to be marked with the name of the product, the danger symbol F, the text "MYCKET BRANDFARLIGT" (which means very flammable), risk-information on the kind and extent of danger of the product, protection-information on how to protect oneself while handling the product and with the name of the firm responsible for the marking.

   The Draft Regulation does not cover the manufacturing of nitrocellulose.

7. Objective and rationale: Protection of human health

9. Proposed dates of adoption and entry into force:

   Date of adoption: February 1989
   Date of entry into force: 1 July 1989
