**NOTIFICATION**

The following notification is being circulated in accordance with Article 10.4.

1. **Party to Agreement notifying:** SWEDEN

2. **Agency responsible:** Swedish Electrotechnical Commission, National Energy Administration and Swedish Institute for Testing and Approval of Electrical Equipment (SEMKO)

3. **Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:**

4. **Products covered (CCCN where applicable, otherwise national tariff heading):**
   
   Portable appliances for high-pressure cleaning (HS 84.24)

5. **Title:** Safety of Household and Similar Electrical Appliances - Particular Requirements for Portable Appliances for High Pressure Cleaning (SS 433 07 91)

6. **Description of content:** The Swedish Electrotechnical Commission has prepared a draft standard concerning safety of household and similar electrical appliances with particular requirements for portable appliances for high pressure cleaning.

   The draft standard is intended to be used as a basis for the compulsory approval to be carried out by the Swedish Institute for Testing and Approval of Electrical Equipment, SEMKO. The draft standard will be published as a Swedish standard to which the National Energy Administration will refer.

   The draft standard is intended to be applied in Sweden until the publishing of a Swedish standard based on the result of the ongoing work in the technical committee IEC SC 61J - Electrical Motor-Operated Cleaning Appliances for Industrial Use regarding "Portable High Pressure Cleaners".

7. **Objective and rationale:** Protection for safety to man and property

8. **Relevant documents:** When published SS 433 07 91 will bear the additional reference SEMKO 9335-2-311

9. **Proposed dates of adoption and entry into force:** To be determined later

10. **Final date for comments:** 18 April 1988

11. **Texts available from:** National enquiry point [X] or address of other body:

88-0233
