NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: SWEDEN

2. Agency responsible: Telecommunications Administration

3. Notified under Article 2.5.2 [], 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:

4. Products covered (HS where applicable, otherwise national tariff heading):
   Datel Shorthaul and Datel 64K

5. Title: Draft Regulation on Technical Requirements for Connection of Customer Equipment to the Administration's Services Datel Shorthaul and Datel 64K

6. Description of content: The Swedish Telecommunications Administration has prepared a draft regulation on technical requirements for connection of customer equipment to the Administration's services Datel shorthaul and Datel 64K. This draft regulation will replace the previous regulation: "Technical requirements for connection to the Administration's modem for serial data transmission of maximum 19.2 kbit/s".

   The draft covers all types of connections for all types of customer equipment that are to be connected to the Administration's services Datel shorthaul and Datel 64K. The part of the regulation that concerns requirements for Datel shorthaul has been somewhat reduced. The part concerning Datel 64K is completely new.

7. Objective and rationale: Safe functioning

9. Proposed dates of adoption and entry into force: 1 September 1989

10. Final date for comments: 20 July 1989
